EXAMINER'S STATEMENT FOR REASONS FOR ALLOWANCE

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.
2. The following is an examiner's statement of reasons for allowance: Applicant's arguments with respect to the amended claims over the prior office action dated 8/25/2004 have been fully considered and are persuasive. Hakimi fails to explicitly disclose or reasonably suggest compressing a signal, then supplying said signal to a device with saturated gain thereby flattening a top of each compressed signal. Therefore claims 1, 15, 28 and 29 are allowed. Claims 3-10, and 17-27 are allowed by virtue of their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Wong whose telephone number is 571-272-2363. The examiner can normally be reached on Monday through Friday, 830AM - 430PM.
